Habit of the Month

The Habit of the month is Habit 1 “Be Proactive”. This is the habit of the month because in December its Christmas Time. You know what that means..... Presents! Also spending time with your family, so when you open your presents and you don’t get what you want. Do not be upset because when you are upset with what you got and you show it you will upset the person who got the presents for you. Remember your friends and family who spend a ton of money on the presents they give you, should be appreciated, so remember this during Christmas.

Feed the Need

Feed the need is coming to an end very soon. The class that has brought in the most items so far is Mrs. Jones’s class with 64 items. The second is Mrs. McGuffey’s class. They have brought in 54 items. Keep up the good work everyone. Does anyone know what habits you’re doing? You are Begin with the End in Mine, Think Win-Win Synergize, and Being Proactive.

Peppermint Brownie Trees

By Riley Swygart

1 box Betty Crocker® Original Supreme brownie mix (with chocolate syrup pouch)

Water, vegetable oil and eggs called for on brownie mix box

2 or 3 drops green food color

1 cup Betty Crocker® Rich & Creamy vanilla frosting (from 1-lb container)

Betty Crocker® Decorating Decors red and green candy sprinkles or miniature candy-coated chocolate baking bits

Miniature candy canes (2 inch), unwrapped

Directions:

1. Heat oven to 350°F. Line 13x9-inch pan with foil, so foil extends about 2 inches over short sides of pan. Grease bottom only of foil with cooking spray or shortening.
2. Make and bake brownie mix as directed on box for 13x9-inch pan, using water, oil and eggs. Cool completely, about 1 hour. Remove brownie from pan by lifting foil; peel foil away. To cut brownie into triangles, cut lengthwise into 3 rows. Cut each row into 7 triangles, see diagram. Save smaller pieces for snacking.
3. Stir food color into frosting. Spoon frosting into small resealable food-storage plastic bag; partially seal bag. Cut off tiny bottom corner of bag. Squeeze bag to pipe frosting over brownies. Sprinkle with decors.
4. Break off curved end of candy cane; insert straight piece into bottoms of triangles to make tree trunks.
