

NOTIFICATION OF RIGHT TO REQUEST TEACHER QUALIFICATIONS

The educators in the Allen County School District are committed to providing a quality instructional program for your child. This is just one way of keeping you informed of the educational commitment of our schools and our district.

Our district receives federal funds for Title I programs as a part of No Child Left Behind (NCLB). Under NCLB, you have the right to request information regarding the professional qualifications of your child's teacher(s). If you request this information, the district will provide you with the following:

1. Whether the teacher had met the state requirements for licensure and certification for the grade levels and subject matters in which the teacher provides instruction;
2. Whether the teacher is teaching under emergency or other provisional status through which state qualification or licensing criteria have been waived;
3. The college major and any other graduate certification or degree held by the teacher, and the field of discipline of the certification or degree; and
4. Whether your child is provided services by paraeducators, and if so, their qualifications.

If you would like to request this information, please contact Chad Cooper by phone at 618-3181 or by email at Chad.Cooper@Allen.kyschools.us. Please include your child's name, the school they attend, the names of your child's teacher(s) and an address or phone number. Thank you for your interest and involvement in your child's education.
