

Hide and Show

Click the speech bubble to reveal the frog's words.

Page 1

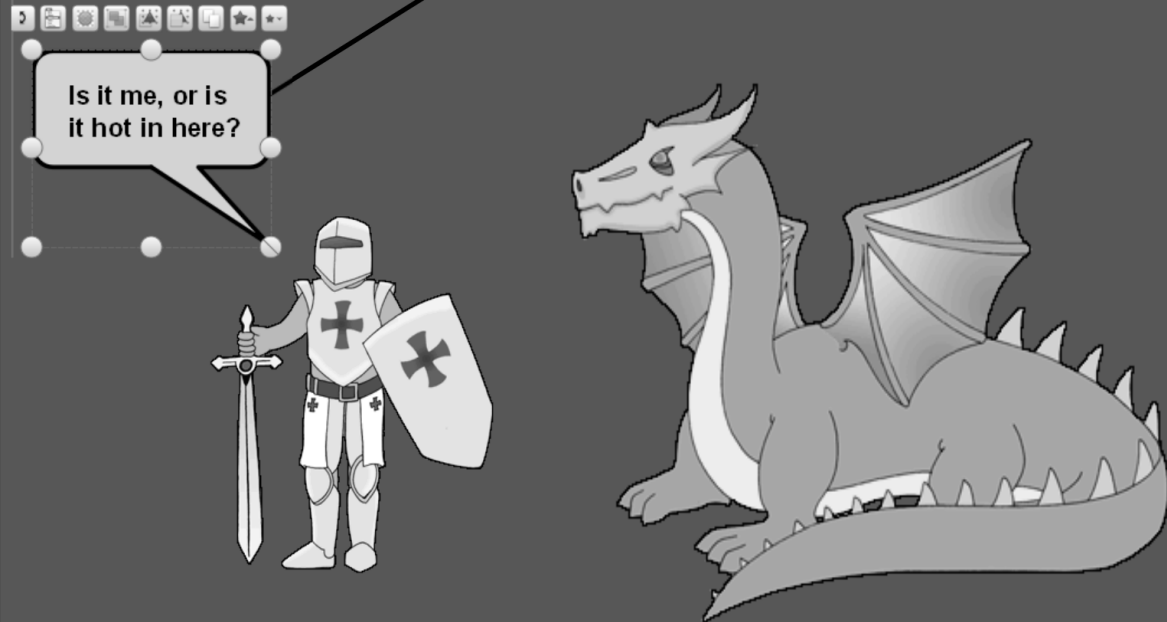

1. Place all your objects and text on the page of your flipchart.

Is it me, or is it hot in here?

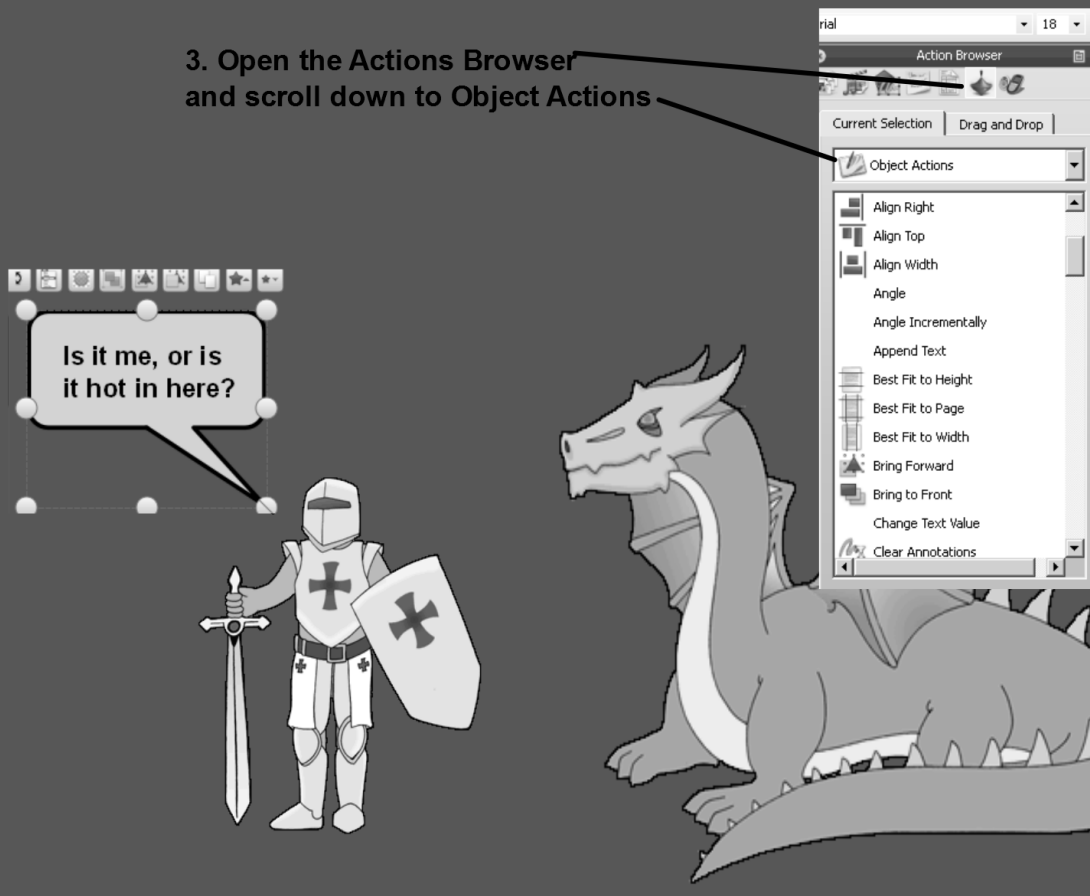

Page 2

2. Click on the object you want to use to reveal the hidden object or text. Since I want to reveal the words in the speech bubble, I click on the speech bubble.

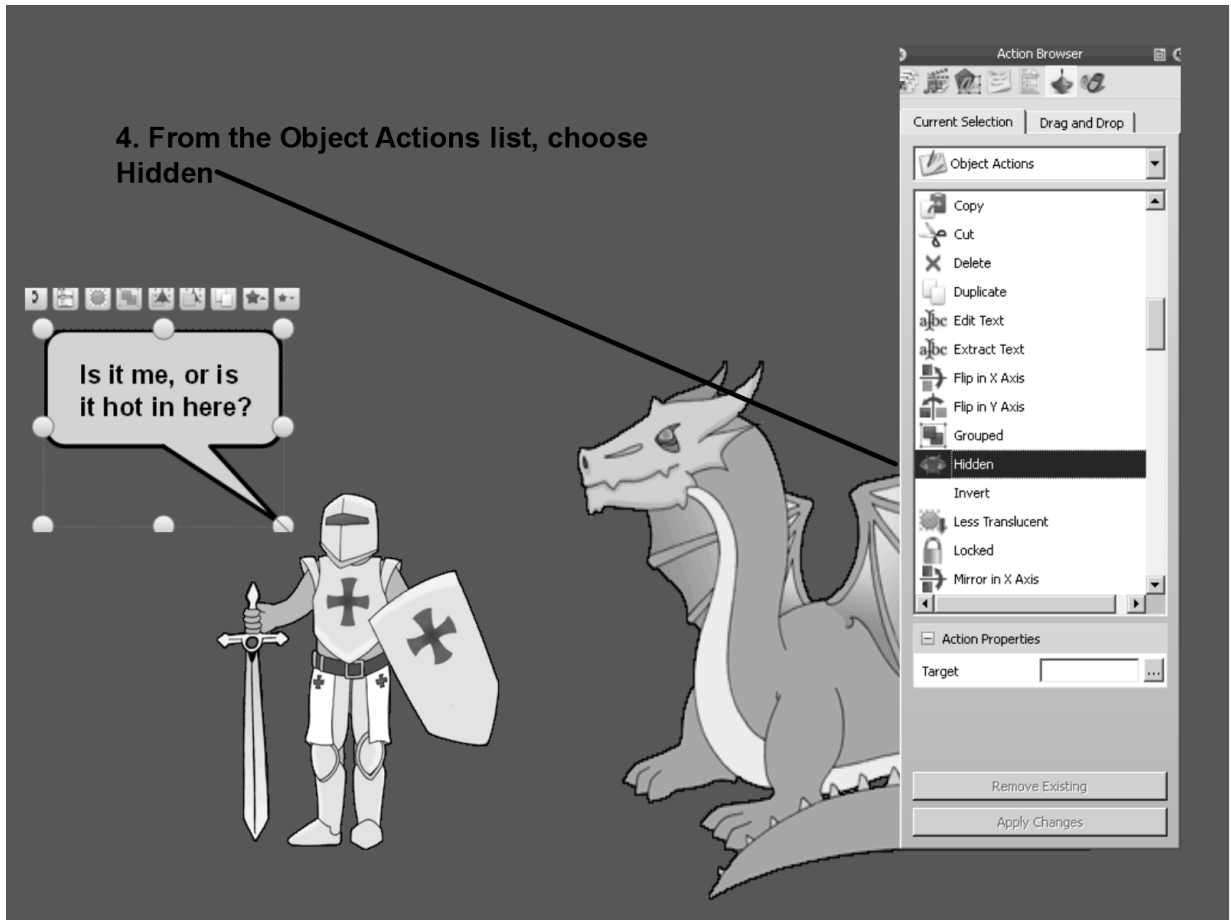

Page 3

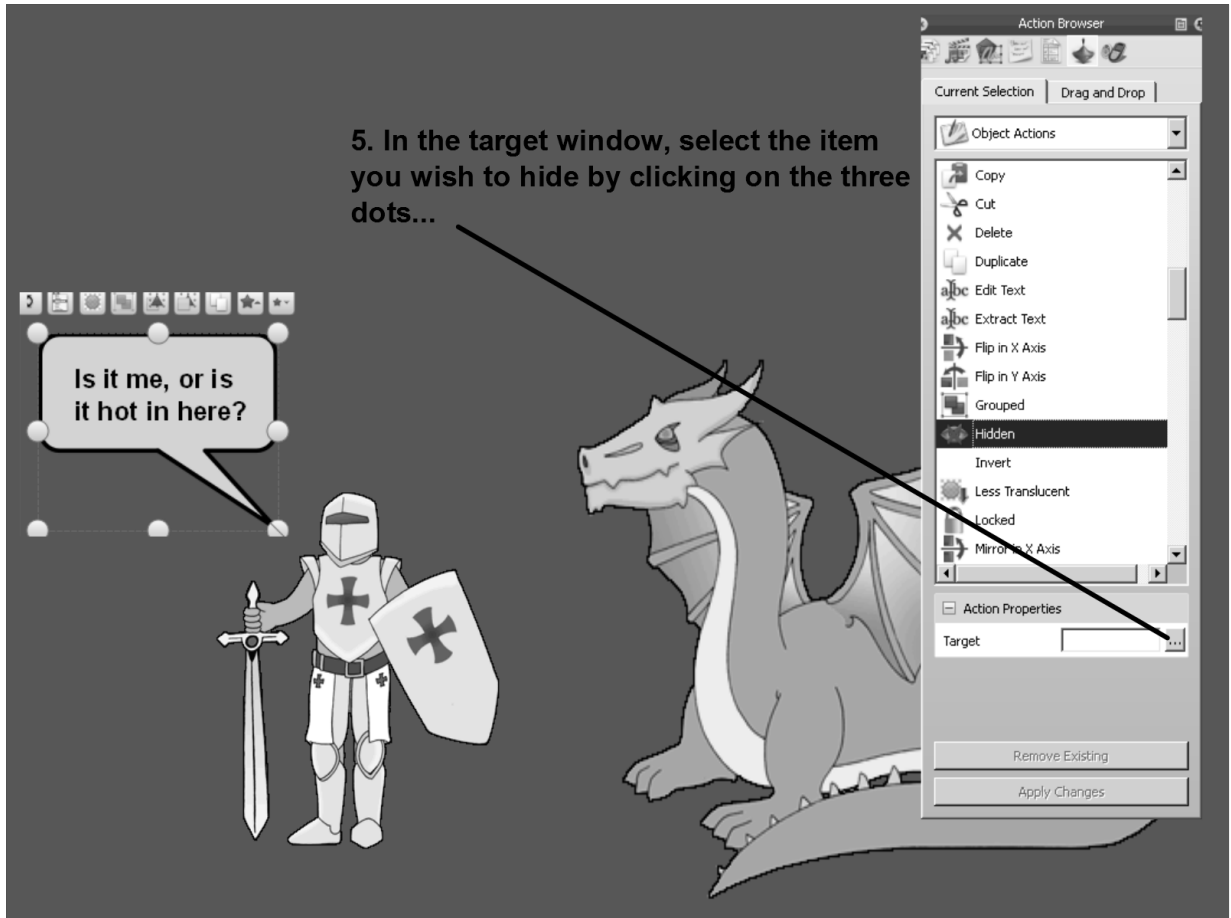

3. Open the Actions Browser and scroll down to Object Actions
