ALLEN COUNTY PRIMARY CENTER P.T.O. (PARENT TEACHER ORGANIZATION) 2016-2017

The Allen County Primary Center P.T.O. exists to promote the welfare of children and youth. They sponsor many educational opportunities for our students at ACPC, family activities, and gifts to our school. We encourage our parents to join and participate in the activities of the ACPC-P.T.O. We know that you may not be able to

1. 2 school-issued tags will be given for each student that will be a pick-up at any point during the school year. The school-issued tag **MUST** be displayed when the student is called by an ACPC staff member. If the school issue tag is not displayed the party picking up the student must park and come into the office.
2. If you park and come into the office before school is out, your child will have to be signed out from school and will be considered tardy. You may not come in early to pick up your child and wait in the office until school is over.
3. Students that do not ride a bus in the afternoon should be picked up by 3:35 PM as staff members' assigned supervision duty is over at 3:35 PM. If it is not possible to pick your child up by 3:35, you should consider making other arrangements such as an afternoon sitter, day care, etc... If for some reason a child is still at the school after 3:45 pm, the child **MUST** be signed out of the office.

LEAVING SCHOOL GROUNDS AND TRANSPORTATION CHANGES

Students will not be permitted to leave the school grounds during the school day unless a parent or authorized person comes to the office and signs them out. This is for the protection of your child. If unable to come and check your child out, then he/she needs a note and phone number where we can verify his /her leaving. Students must never leave the building without checking out of the office.

If a child is to ride a different bus, we must have a note from home stating the bus change and name and address of the person's home your child will be going to. If a change in transportation occurs during the school day, please call the office (618-7200) **BEFORE 1:30 p.m.** so that we can explain to the child what he/she is to do.

*** Text Messages or e-mails to your child's teacher will not be accepted as a transportation change.**

When making a call to change your child's mode of transportation please note the following example:

*This is a transportation change for STUDENT NAME in TEACHER'S NAME room. My Child will need to be a pick up by NAME OF PERSON PICKING UP CHILD **OR** My child will be riding BUS # to NAME OF PERSON or BUSINESS at this ADDRESS. This is being called in by PERSON'S NAME AND RELATIONSHIP TO STUDENT.*

BREAKFAST AND LUNCH INFORMATION

Allen County Primary Center is participating in the "Community Eligibility Provision" which allows ALL students to eat breakfast AND lunch at NO CHARGE. Students will be allowed to put money into their account in order to buy extras at breakfast/lunch. You may send extra money/check for your child to purchase extras in the cafeteria. All students have a cafeteria number that is entered into the computer in order to keep an itemized account of your child's money.

All students are to eat lunch in the cafeteria during the time provided for their class. Your child may choose white milk, chocolate milk, or orange juice at lunch. Extra milk/juice may be purchased or drinks may be brought from home to go with home lunches; however, these must be brought in an unbreakable container. NO glass containers will be permitted at school because of the danger of breakage.

Adult Breakfast/lunch prices are as follows:

	Employee	Adult Visitor
Breakfast	\$1.50	\$ 2.00
Lunch	\$3.00	\$ 3.50

We welcome you to come and eat lunch with your child at any time, but we ask that you call or send a note so that we can inform our cafeteria staff to prepare extra lunches.

If you choose to eat lunch with your child please sit at the designated tables in the auxiliary gym only eating with your child. Also please remain in the cafeteria during lunch and then exit through the office. Please do not go with your student back to the classroom.

TRAFFIC SAFETY

Please help us to prevent the risk of serious injury by carefully adhering to all rules of traffic safety.

1. All students should be dropped off and picked up in the school-designated areas only. Please do not put your child in a hazardous situation by dropping him/her off in an unauthorized or unsupervised area. This rule is intended to prevent serious injury and to ensure the **SAFETY of all students**.
2. When picking up a child always **pull to the curb**. Do not stop in the middle of the driveway to pick up or drop off a child. He/she may be seriously injured by walking into the path of another vehicle.
3. Do not stop to pick up a child until you have driven to the far end of the pick-up area directly behind the car ahead of you. Please maintain **one lane of traffic** in the school driveway. This allows others access to the pick-up area, otherwise traffic will back up into the street.
4. Do not park in the bus loading zones.
5. Children are not permitted to cross the driveway unless accompanied by an adult. Acknowledge and obey the school staff.
6. Students are not allowed to wait unsupervised on the playground or on the sidewalk to be picked up.

CHANGE OF STUDENT INFORMATION

It is imperative that the school office be notified immediately of a change of address, home or office telephone number, or a change in emergency information during the academic school year.

TELEPHONE USAGE

We will allow a student to use the telephone for emergency calls. Also, if there is an emergency at home, the parents may call the office and we will get the message to your child. However, we prefer not to disturb a child during class unless it is an emergency. Any other messages may be left with the secretary and she will get the message to your child. Students are not permitted to use cell phones at school. Cell phones confiscated at school will be held in the office to be picked up by a parent.

VISITORS

Students are not permitted to bring visiting children to school. All visitors to the building must check in through the main entrance into the office. For the safety of our students, all doors will be locked at 7:50 each morning and remained locked throughout the day. Visitors in any part of the building will be issued a visitor's pass in the office as our students are taught to alert their teacher if they see someone without a visitor's pass in the building that is not school personnel. Please abide by this rule, as the safety of our students is most important.

VOLUNTEER PROGRAM

Parent volunteers are welcomed and encouraged to become involved at Allen County Primary Center. We are very appreciative of the time our volunteers give to the school to benefit our students. If you are interested in volunteering at ACPC please leave your name and phone number with your child's teacher or in the office and a short note stating you are interested in volunteering. Everyone must complete a background check (cost is \$10 per background check) and confidentiality training before volunteering in the school/classroom or any school hours related function, including field trips.

SCHOOL PARTIES

The staff at Allen County Primary Center has agreed upon three parties for the school year: Fall Harvest Party (Fall) – October 28, Christmas party (Winter) – December 16, and Valentine's Day party – February 10. The parties do not begin until the last hour of the day. The room mothers have the responsibility of organizing the parties. Please let your child's teacher know if you are interested in being a room mother. **If you are asked to bring in food for the parties, the food will need to be store bought, not homemade. This also applies to food brought in to celebrate student birthdays i.e., cupcakes for the class.** If you attend your child's party you will be asked to sign in and receive a pass before going to your child's classroom. You will not be allowed to go to the classroom until the designated time as not to interrupt the students' class work.

****Please note – No Valentine's Day deliveries for students will be allowed to be made to the Primary Center. Deliveries include anything from a Florist or brought from home.**

INSURANCE

Accidental insurance is provided for every child in the Allen County School District. This coverage is available for students during the school day or during school related activities only. Claim forms are available in the office at Allen County Primary Center. This policy is secondary in nature and will pay after parents' coverage has been used. Additional 24-hour accidental insurance coverage may be purchased.

SCHOOL PICTURES AND SCHOOL YEARBOOK

Individual school pictures will be taken at the beginning of school. Class group pictures will be taken later in the school year. You will be notified a few days before the pictures are scheduled to be made. School yearbooks (for the 2016-2017 school year) will be

available for students during the last week of school. Each student's individual picture will be a part of his/her class section in the yearbook.

TAKING MEDICINE AT SCHOOL

Students needing occasional medications, such as penicillin, etc., for colds, earaches, and sore throats, are to take these medications at home if at all possible. Medication that is prescribed three (3) times daily can be given before the student comes to school, after school, and again at bedtime. However, if medication **MUST** be given at school, it must be personally delivered by the parent and accompanied by a written authorization from a parent/guardian that includes the name of the medication and instructions for its administration (time and dosage)

1. Medicine must be in the original container.
2. All medicine will be kept in the office and administered by the health room attendant or her designee and recorded.
3. A medication form must be completed for each medication (prescription or nonprescription) taken by child.

HEALTH AND SAFETY REGULATIONS

All students are required to have a physical, valid immunization certificate and birth certificate prior to enrollment in school.

Parents will be asked to fill out an emergency information sheet. This sheet gives us authority to make necessary arrangements in the event of an accident or illness. If there is a medical problem that requires special attention, be sure to tell us on that form. It is vitally important that you list a telephone number and an alternate number where you, or someone designated by you, can be reached in the event of an emergency. Simple first aid will be administered in case of a minor injury at school.

DISMISSAL BECAUSE OF ILLNESS

Should it be necessary to send your child home at any time, or if your child becomes ill, the school nurse will call home first (the student's teacher will not call for illness). No child will be allowed to leave the school grounds without signing out in the office by a parent, guardian, or parent designee. Your child will be sent home for the following conditions:

Chills	Fever – 100 or above
Vomiting	Diarrhea
Contagious skin conditions	Serious accidents
Incomplete immunizations	Lice

COMPUTERS

Each of our classrooms has computers in order for our students to have the opportunity to use daily. Our teachers have various programs in the content areas to enhance learning. Students also have access to internet use throughout, however parents must complete an electronic access/user agreement form. We also have labs in our school that all primary students attend during the weekly schedule.

STLP (Student Technology Leadership Program)

Mission Statement: The mission of the Allen County Primary Center STLP is to promote opportunities for leadership, to enhance individual and cooperative learning experiences, and to provide motivation for students through technology.

Objectives: STLP students will serve on various teams, which will work cooperatively together and with others to promote leadership in a variety of technological skills. The following teams will be initiated:

1. Media Mania
2. Information Station
3. Mouse Patrol
4. Promotion Commotion
5. Software Specialists

STLP will meet during the school day. A schedule of meeting times will be made available after school starts.

PROGRESS REPORTING SYSTEM

Parents will receive a written progress report four times during the school year, October, January, March, and the last week of school in May. Parents will also receive at least one informal report through notes, phone calls, and/or conferences during the interim between written progress reports.

Parents are encouraged to schedule a time with your child's teacher to attend a conference during the progress-reporting period to gain an understanding of the evaluation/assessment process, as well as your child's current progress.

PARENT CONFERENCES

We welcome your requests for conferences. It is very important that you know what is going on with your child at school. Please schedule all conferences by calling the office at 618-7200. Our teachers are available at various times during the school day based on their individual schedules, and after school by appointment. Scheduling ahead of time will allow the teacher to have your child's work samples readily available.

When attending a conference during the school day, please check in at the office. Do not go directly to the classroom. We always welcome parents in our school, but we feel that your child's instruction time is valuable and important, so we ask that you help in keeping classroom interruptions to a minimum.

****Helpful hints for parents before the conference:**

Decide what you want to ask the teacher and jot down a few notes. Discuss the upcoming conference with your child to see if there is anything that he/she would like for you to talk to the teacher about. Write a few notes of things that you feel the teacher may need to know about your child.

WHAT YOU CAN DO TO HELP YOUR CHILD LEARN

- Start each day right; a calm beginning at home makes the school day much better.
- Make certain he/she gets at least eight hours of sleep each night.
- Praise your child each day for something he/she has done. Make a special place to display school work.
- Laugh and talk with your child about school experiences and listen attentively to what is said about your child's school day experiences.
- Keep the lines of communication open between yourself and your child's teacher. Inform the teacher of situations that could influence child's behavior.
- Take your child to the Public Library and encourage reading for pleasure.
- Stress organization of school notebooks, materials, etc.
- Provide pencils, glue, scissors, etc. for child to use at home.
- Work at home with skills taught at school.

EXTENDED SCHOOL SERVICES

Allen County Primary Center provides Extended School Services (ESS) for students needing additional instruction and time to achieve academic expectations. Computer programs in Reading and Math are available to all students. The computer programs can provide supplemental practice or enrichment activities, as well as providing teachers with the ability to monitor student progress through assessments imbedded into this technology. This year we will have two instructors to provide intervention to students needing extra assistance in Math.

PHYSICAL EDUCATION

All students must have a completed physical education medical information form on file before students can participate in our physical education program. Please complete this form and return it to your child's teacher promptly.

BRINGING EXTRA MONEY

If you send money with your child to purchase any item at school (extras in cafeteria, school pictures, field trips, etc), we suggest putting the money in an envelope labeled with your child's name and purpose for the money. Young children cannot always tell you why they brought money to school. Whenever possible, please send exact change.

TEXTBOOKS/LIBRARY BOOKS

Textbook/library books are furnished to your child by the school system on a loan basis and should be treated as borrowed property. Students must pay for the loss or abuse of textbooks and/or library books.

STUDENT DRESS AND LOST & FOUND

We maintain that student dress is the responsibility of both the school and the home and that through cooperation of both parties no student will be embarrassed by what he or she wears. The SBDM Council has accepted the following:

1. All students will wear shoes, preferably tennis shoes as children are on the

playground or in P.E. daily. **“Heelies” or any shoes with wheels on the bottoms are prohibited at ACPC.** Sandals or shoes without backs and flip-flops are not allowed.

2. All students will wear shirts that cover the entire torso. No shirt should show the students mid-section. Also, halter-tops or shirts with spaghetti straps are not permissible.
3. All students will wear pants, skirts, or dresses in a manner that does not expose undergarments.
4. Students may not wear hats, caps, or other headwear into the building except on special announced occasions.
5. Students may not wear patches, emblems, clothing or accessories that are offensive or promote unacceptable behavior.
6. No extreme hair colors or hair styles.

A lost and found area will be located in the school. Please put your child’s name inside coats, hats, lunch boxes, book bags, etc., so that we can get them returned to your child when they are turned in.

ROLLING BACKPACKS

Our SBDM council has adopted a policy that prohibits students from using rolling backpacks. This policy is for student safety, as students have fallen over these backpacks in the past. Students also try to pull these backpacks out of vehicles and up and down the stairs at school, causing accidents. Students at this level have very little homework; therefore, they should not have a heavy backpack to carry.

TOYS AND VIDEOS

Students are not allowed to bring toys, trading cards, or videos to school unless requested by the teacher. If videos are brought from home for any reason, they must be screened by the classroom teacher before viewing by students in that class.

FIRE-SEVERE WEATHER-EARTHQUAKE DRILLS

Every precaution is taken to ensure the safety of your child during normal school hours. Periodic fire, tornado, earthquake drills, and crisis drills are executed to make certain students learn proper safety procedures and adhere to all safety guidelines.

INCLEMENT WEATHER

When severe weather creates hazardous conditions, the regular school schedule may be suspended to ensure students' safety. It is the parent's/guardian's responsibility to monitor news reports via television and radio stations. Announcements are normally broadcasted between 6:00 a.m. and 6:15 a.m. Please listen to WVLE radio (99.3 FM) for information. TV stations are also notified of any school closings; the TV stations contacted include Nashville's channels 2, 4, and 5 and Bowling Green's WBKO Channel 13. The Allen County School District also uses a program called "School Messenger" that will call the numbers that you have provided to the school to inform you of school closings. **It is imperative that all numbers on file be updated.**

FIELD TRIPS

Students at Allen County Primary Center participate in various types of field trips and activities throughout the year. These activities support and strengthen the objectives of a recent theme or unit of study. The students are supervised by teachers or other authorized personnel.

The following guidelines will be followed at the Allen County Primary Center concerning field trips for students:

1. Students are required to have on file a form that will cover an emergency situation in which the student would need medical attention and the parent/guardian cannot be reached at any of the numbers listed on the child's emergency card and/or form. If parents have a concern with the form, they should contact one of the administrators.
2. All students will ride the bus both to and back from the field trip. Parent/guardians will not be allowed to sign-out students without it resulting in a tardy from school.
3. Parents who wish to chaperone a field trip must go through the classroom teacher – Not through the school office. Any supervising parent will be responsible for his or her own fee if required.
4. Two parents from each classroom involved **may** be allowed to ride the bus with the students (if there is enough room on the bus). This is at the classroom teacher's request.
5. If teams take an additional field trip, other parents will be given the opportunity to ride the buses with the students **and/or** follow in vehicles. (It will be left up to the teachers as to how parents are selected, or if parents are needed for additional supervision.)
6. No more than five additional adults per classroom (less is option of classroom teacher) to follow in vehicles (in five teacher teams, that can be up to 25 additional adults per trip – sometimes this number is a problem for the trip location to accommodate the extra people and also shortens the students participation time.) **All parents/guardians that attend a field trip MUST have completed a background check and confidentiality training.**
7. No younger brothers or sisters, or students from another team or school are to go on the field trip – the activity is for an enhancement of the child's classroom studies.

8. If parents have indicated that their child will get a sack lunch from school, they will be responsible for that lunch, even if they decide to bring a lunch from home on the day of the field trip. The lunches are prepared early that morning for students to be able to leave between 8:00 and 9:00. Teachers are responsible for students' lunches only.
9. Students are expected to complete classroom/homework tasks and behave appropriately on a daily basis (classroom, bus, activity time, playground, etc.). Those students who do not choose to take responsibility for their studies and behavior may not be permitted to participate in field trip activities. Parents/Guardians will be informed in advance if there is a possibility that the student may not be allowed to go on the field trip.
10. In order for parents to attend a field trip, a criminal background check must be on file. Forms may be picked up from your child's classroom teacher or from one of the school secretaries.
11. Teachers may choose one parent per classroom to attend as a chaperone on a field trip.

DISCIPLINE CODE

A pupil shall not be suspended from school until after at least the following due process procedures have been provided:

- A. The pupil has been given oral or written notice of the charge or charges against him, which constitute cause for suspension.
- B. The pupil has been given an explanation of the evidence of the charge or charges if the pupil denies them; and
- C. The pupil has been given an opportunity to present his own version of the facts relating to the charge or charges.

Additional information regarding suspension will be included in the Allen County Schools Code of Conduct. All children are expected to honor the code of conduct unless otherwise stated in an Individual Education Plan (IEP).

ALLEN COUNTY ATTENDANCE POLICY

The basic purpose of the attendance policy in the Allen County School System is to provide each student with meaningful experiences designed to enhance his/her development into a productive and responsible functioning member of our society. In achieving this purpose, it is important that each student realize that perfect attendance is his/her primary responsibility. We want to educate all students enrolled in this school system and it all starts by “being there”.

“Any and all students shall follow the attendance guidelines listed in the handbook regardless of age”

It is very important that your child be in school every day on time and remain all day.

The school year, 2015-2016, attendance will be determined once again on a Full Time Equivalence (FTE) basis. A student’s attendance will be tracked by minutes.

- I. KRS 159.150 defines truancy as follows: Any child who has been absent from school without valid excuse for three (3) or more days, or tardy on three (3) or more days, is a truant. Any child who has been reported as truant two (2) or more times is a habitual truant.
- II. Excused Absences
 1. Physician’s statement, signed by physician, indicating child was under doctor’s care and unable to attend school. Statement is to excuse only the absence of the student being treated by the doctor. Doctor’s statement(s) must be turned into the school office within **five (5) days** upon return to school.
 2. Court appearance – bring a note of verification.
 3. Drivers test for the time it takes for test.
 4. Death, immediate family. Immediate family shall mean mother, father, spouse, brother, sister, grandfather, grandmother, blood-related aunts, uncles, nieces, nephews, or anyone living under the same household roof with the student.
 5. One day for state fair.
 6. Each senior will be granted one day for college visitation.
 7. Approved school activities.
 8. Religious holidays.
 9. Doctor and dental appointments.

10. Family emergencies – approved by Principal.
 11. Parent note accepted for two days per semester – Each excuse may be used for up to 2 consecutive days. No phone calls please.
 12. Lice – Must be excused by School Nurse or Physician.
 13. Trips qualifying as educational enhancement opportunities – Prior approval by Board of Education and Principal is required. Must be submitted to the Principal prior to the next scheduled Board of Education meeting before the trip.
- III. Unexcused Absences (students are allowed 6 unexcused absences for the year)
- a. Work
 - b. Skipping school
 - c. Vacation
 - d. Missing bus
 - e. Car trouble
 - f. Slept late
 - g. Baby-sitting
 - h. Visiting out of town relatives
 - i. Personal business
 - j. Job hunting
 - k. Illness without doctor's statement
 - l. Indifferent parents
- IV. The following steps are to be taken with unexcused absences:
- a. Parents/guardians will be contacted after a student has accumulated no more than three (3) unexcused absences and/or unexcused tardies.
 - b. After a student has three (3) unexcused absences and/or unexcused tardies, the parent/guardian will be asked to meet with an attendance review committee.
 - c. After the student has missed his/her sixth (6th) unexcused day and/or accumulated his/her, the D.P.P. will serve a final notice on the parent/guardian.
 - d. After the student has missed his/her seventh (7th) unexcused day and/or accumulated his/her, a Juvenile Petition will be served on the parent/guardian by the sheriff. Parents/guardians and student must appear before the Judge in Juvenile Court.
 - e. An alternative to filing a juvenile petition would be to have a summons issued for parents/guardians for violation of attendance laws, which would subject them to a fine of \$100 for the first offense, and \$250 for the second offense. Each subsequent offense shall be classified as a Class B misdemeanor.
- V. Attendance Review Committee
- a. The function of this committee is to meet with the parents/guardians to discuss the three unexcused absences and/or unexcused tardies. Parents/guardians are to present any facts to the committee which would change these absences or tardies. If none exist, the parents/guardians will be informed that when the student accumulates sixth (6) unexcused absences or tardies, this will cause the D.P.P. to serve a final notice and if another unexcused absence or tardy is recorded after the final notice, the case will be referred to Juvenile Court.

- b. The attendance review committee will consist of the following:
Middle School or High School: principal, assistant principal, counselor, or whomever the principal designates. Elementary schools: principal, assistant principal, homeroom teacher, or whomever the principal designates.
- VI. Age limits pertaining to the Kentucky Attendance Laws
- a. The Kentucky Attendance Laws only cover students who are 6-18 years of age. A child's age is between six (6) and eighteen (18) when the child has reached his sixth birthday and has not passed his/her eighteenth birthday.
 - b. Students 18-21: Students who have attained their eighteenth birthday will adhere to the same attendance rules listed above with one exception. Instead of going to court on their tenth unexcused absence, they will be withdrawn from school.
 - c. Students over 21 are required to pay tuition.
 - d. Married students follow the same attendance rules as everyone else. The latest ruling from the Attorney General maintains that unmarried children under sixteen or seventeen years of age must attend school. Married students who are sixteen or seventeen years of age follow the same attendance procedures as unmarried students of this age with the exception of who may sign papers if it is decided that they will not continue in school.
- VII. Tardies and Early Dismissals: Each school will decide how they will deal with tardies and early dismissals. Tardies for any part of the day will be accumulated and used toward truancy.
- VIII. Each school will decide if they will provide incentives for attendance and how they will be administered.
- IX. Notes and/or phone calls to inform the school of the absence are encouraged but do not replace the note for excused absence. It is very important for both the parent/guardian and the school to know the whereabouts of the students. However, these calls or notes do not excuse the absence. Please review the list of reasons listed in this policy for absences being excused.
- X. Each school will determine their own procedures for students entering school following an absence and how missed work will be made up.

Students must have up-to-date immunization records before enrolling in school. Students must live with a parent or legal guardian to enroll in school. After a student has missed six (6) days of unexcused absences, **for any reason**, we are required to notify the Director of Pupil Personnel for further action with regards to truancy.

Examples:

Three (3) unexcused absences = Simple Truancy
Two (2) occurrence of Simple Truancy (6 days unexcused) =
Habitual Truancy

After the sixth (6th) unexcused absence, the student's name will be referred to the Director of Pupil Personnel for further action.

Tardies- Three (3) unexcused tardies will be counted as Simple Truancy. Two (2) occurrences of simple truancy (6 unexcused tardies) will be counted as Habitual Truancy. After the sixth (6th) unexcused tardy, the student's name will be referred to the Director of Pupil Personnel for further action.

ALLEN COUNTY SCHOOLS ANNUAL NOTIFICATION TO PARENTS Family Educational Rights and Privacy Act (FERPA)

In accordance with the Family Education Rights and Privacy Act, written policies and procedures have been developed which describes the Allen County School District's requirements regarding the confidentiality of personally identifiable information. Stated in this notice is a summary of your rights under the act. These rights are passed on to the student at age 18. For the purpose of this notice, the student 18 years or older, and the students who are married, will be referred to as the "emancipated" or "eligible" student. Parents, guardians and eligible students may review and inspect all education records relating to that student by making a request to the principal of the school where that student attends.

The ACSD will presume that the parent has the authority to review and inspect records relating to their children unless the district has been advised in writing that the parent does not have legal authority under applicable state law governing such matters as guardianship, separation and divorce.

Personally identifiable information is not related to another party unless there is written authorization from the parent or eligible student or there is a "Legitimate Educational Interest" as defined in the policies and procedures for confidentiality. A current list of employees' names and positions who have access to personally identifiable information is on file in each school. The ACSD has described in its policies and procedures the conditions under which personally identifiable information is released to another person without written parental consent.

"Directory Information" is information contained on an education record that would not generally be considered harmful or an invasion of privacy is disclosed. This information may be released to new media, athletic organizations, scholarship or college entrance committees or official organizations whose need for data is connected with student help activities. In addition to the agencies listed above, "Directory Information" may be released to state and national armed services for recruitment purposes upon request. "Directory Information" includes, but is not limited to the student's name, address, telephone listing, date and place of birth, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received and the most recent previous educational agency or institution attended. At some time during the school year, school/District personnel or other District-authorized persons may interview, audio tape, video tape, or photograph classroom activities or special events or projects in which your child participates during or after the school day. Such interviews, audio tapes, videotapes or photographs may be used for staff/student evaluative, educational, or public awareness purpose and may be viewed by other students and faculty/administrators, and/or placed on the District's/school's Internet Web site(s). Please note that student information posted on the District's/school's web site is available to the general public.

The school/District assumes no responsibility for videotapes, audio tapes, photographs, etc. that may be made by parents or other non-school personnel at public events. The parent, guardian or eligible student currently enrolled, may request all or part of the directory information be withheld. The request must be in writing to the principal of your child's school, within 30 calendar days after this notification has been distributed. The written request must specifically state what information may not be classified as directory information.

In accordance with federal regulations concerning the release or transfer of educational records, it is the policy of this school district to forward education records on request to a school in which a student seeks or intends to enroll. Parents may obtain upon request a copy of the records transferred.

The Allen County Schools keeps child and youth records in a secure computer system and in locked files in each school and central office.

Any parent or guardian of a student or any eligible student, may challenge the content or accuracy of any material or entries in the student's education records on the grounds that it is inaccurate, misleading or otherwise in violation of the privacy or other rights of the student. Requests to amend the records are submitted to the principal of your child's school.

For students who have determined eligible for programs for children and youth with disabilities, educational records will be destroyed at the request of the parent when they are no longer needed to provide educational programs and services. The ACSD will destroy the educational records of a child or youth without a parent's request after the records have been maintained for a minimum period of seven years and are no longer needed to provide educational programs and services. Parents are advised that data contained in the records may be later needed for Social Security purposes. The ACSD retains for an indefinite period of time, a record of the student's name, address, telephone number, grades, attendance record, classes attended, grades completed, and year completed.

NOTIFICATION OF FERPA RIGHTS

The Family Educational Rights and Privacy Act (FERPA) affords parents and students over 18 years of age ("eligible" students) certain rights with respect to the student's educational records. These rights apply to all education records equally and FERPA does not distinguish between the records of students with disabilities and the records of the other students. The rights afforded to parents and eligible students are:

- (1) *The right to inspect and review the student's education records within 45 days of the day the district receives a request for access.*

Parents or eligible students should submit to the school principal a written request that identifies the record(s) they wish to inspect. The principal will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.

The District will presume that a parent has the authority to review and inspect records relating to his/her children unless the district has been provided with a court order that provides that the parent does not have legal authority.

- (2) *The right to request the amendment of the student's education records that the parent or eligible student believes are inaccurate or misleading.*

Parents or eligible students may ask the district to amend a record that they believe is inaccurate or misleading. They should write the school principal, clearly identify the part of the record they want changed and specify why it is inaccurate or misleading.

If the district decides not to amend the record as requested by the parent or eligible student, the district will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student; when notified of the right to a hearing.

(3) *The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorized disclosure without consent.*

One exception that permits disclosure with consent is disclosure to school officials with legitimate education interests. A school official is a person employed by the district as an administration, supervisor, instructor or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the school board; a person or company with whom the district has contracted to perform a special task (such as an attorney, auditor, medical consultant or therapist); or a parent or student serving on an official committee; such as a disciplinary or grievance committee or assisting another school official in performing his or her tasks.

A school official has a legitimate education interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

Upon request, the district discloses education records without consent to officials of another school district in which a student seeks or intends to enroll. Parents may obtain upon receipt a copy of the records transferred. Directory information may be released by the school or individual students unless specific instruction not to do so is presented to the principal or superintendent in writing by the parents of a student on or before September 30 of each year. Directory information includes, but is not limited to, the student's name, address, telephone number, date and place of birth, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received and the most recent education institution attended by the student.

(4) *The right to file a complaint with the U.S. Department of Education concerning alleged failures by the District to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is:*

Family Policy Compliance Office
U.S. Department of Education
600 Independence Avenue, SW
Washington, DC 20202-4605
